UHF FM HANDHELD TRANSCEIVER

DJ-FX446

CE0700®

License-Free

PMR446

BIKE! HIKE! WORK...and TALK!

This new UHF PMR446 transceiver packs a lot of performance into a super-compact body. The DJ-FX446 features clear, crisp audio with a compact antenna where portability comes first. Capable of operating PMR446 with full legal output, it is perfect for any application where instant short-range communications are necessary; keep in touch around the house, down the road, in a theme-park, shopping mall, exhibition hall, for business, factory, warehouse, outdoor sports, hunting, fishing...where you need to talk to someone, the DJ-FX446 is a brilliant cost-effective alternative to a mobile phone!

Feature
